To Whom It May Concern:

It is with pleasure that I write this letter of reference on behalf of Kim and Rick Martin. Please consider the following non-confidential information when considering either of them for a position.

I have known Kim and Rick for three season in my capacity as General Manger. Both worked as Guest Service Representatives at the front desk of the hotel. Based on their work performance, attendance, and loyalty, I would not hesitate to recommend either to any position of employment

If you have any additional questions concerning Kim or Rick, please contact me at the number listed above.

Sincerely,

Judith Blair  
General Manager
